LOGAN TEMPLE

One of Utah's four Mormon Temples, where in baptisms, marriages, and other sacred ordinances are performed. Construction of this sacred edifice was commenced almost immediately after the impoverished Latter-Day Saints settled in this territory. This represents only one of the many temples the Mormons have built and planned throughout the world.

Dear Elsie + Allen,

Had a wonderful trip out and saw many things. Yesterday we had the blessed experience of entering this Temple and sat on Gardner's patio writing this & can look up and see tall mountains only a short distance away and the chapel only 2 houses away. Love,

Betty Kern + Brew
